YellowBullet.com along with Cecil County Dragway is proud to announce the 10 **th Annual YellowBullet.com Nationals**. After 9 successful events our decision to have a tenth event was made easy. Our 2018 event brought in 575 race cars and 12,000+ spectators over the course of the event. Spectator and racer turnouts have been the largest Cecil County Dragway has ever seen. Additionally, the feedback from racers, fans and manufactures has been all positive and we look forward to continuing this successful format for the racing community and our sponsors. This high energy, entertaining event will once again be held at Cecil Country Dragway, Rising Sun, Maryland on August 30th - September 1st (Labor Day Weekend). This event has captured the attention of racers, fans and manufacturers from around the world. In addition, the event will provide a fair-like atmosphere for all who attend, from racers to children of all ages, all weekend long. It is our intention to host an event to satisfy the majority in attendance and build a bigger drag racing community for years to come.

With that said, we would like to offer you the opportunity to be a part of this exceptional event. Sponsorship of the **YellowBullet.com Nationals** provides a great marketing prospect for your company. In addition there will be a large spectator presence and on-site media attention throughout this event. This is a great opportunity for your company to gain positive exposure to many new customers. This event will attract thousands of spectators over the course of the event. Additionally, we will host this event using live streaming video which will reach thousands of fans and potential customers worldwide. The video feed will be hosted free of charge to viewers around the world so our sponsors gain maximum exposure internationally.

YellowBullet.com is a massive internet community hosting over 100,000 members and growing each day. We have dominated the annual polls at CompetitionPlus.com 7 years (2007-2013) in a row, by a large margin, for the best message board of the year awards. The site spans worldwide and has been called the Mecca of heads-up racing by racers, fans and manufacturers. We have been live on the internet for over 9 years and consistently growing each day. Our main focus is to promote the sport, encourage growth, and help racers move forward with their hobby.

Our main focus is to promote you, the sponsor, to give you what you deserve. It's impossible to host an event of this caliber without the support of sponsors like you. We plan to give you added value for your sponsorship dollars. We will do this by investing your sponsorship proceeds into promoting your company. Our track record with the website and our past events has proven this and our commitments will not change for this event. Depending on sponsorship level, this can include logos on the event t-shirt,

clickable banner for 2019 on the forum, press releases for new products, banners at the event and much more. We are also open to any suggestions you may have. We have several ideas that will market your company in different ways.

Please contact us at the e-mail address below to request a copy of our sponsorship proposal. We look forward to hearing from you and seeing your company be a part of this event.
